Exam Demo

The Pearson VUE (PV) system has an interactive guide on what to expect during an examination.

- Includes the use of a practice (non-NDT) exam to get a familiarized with the different screens and settings.
- For a CBT Demo, go to:
www.pearsonvue.com/athena/athena.asp

The screenshot shows the Pearson VUE website interface. At the top, there is a navigation bar with the Pearson VUE logo, links for 'Take a test' and 'Partner with us', and additional links for 'Become a test center', 'COVID-19 update', and 'Contact us'. Below the navigation bar, a breadcrumb trail reads 'Home > Test taker home > Pearson VUE demo test'. The main heading is 'Pearson VUE demo test'. The text below the heading states: 'This computer-based demo test software provides the opportunity for you to learn how to navigate your way through computer-based examinations.' A blue button labeled 'Launch demo test' is positioned below the text. At the bottom right of the page, it says 'Last updated 2019-04-22'.

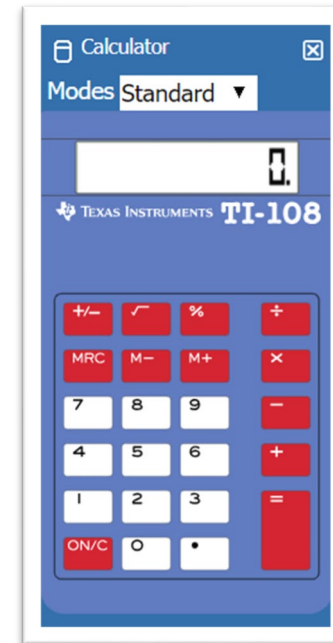

Calculator Demo

- As you move through the Exam Demo, Question 3 will have an option to use the Calculator within the demo software.
- To use the calculator, click on the Calculator button.
- **Note:** for ASNT examinations, the Calculator button is available during the entirety of the examination.

Calculator Demo (cont.)

- You may switch **Modes** by clicking the down arrow.
- **Note:** During the examination, candidates cannot switch between Exam question and calculator via the task bar tab. Candidates will have to click on the Calculator button within the software.
- Please note that the Pearson VUE DEMO (Exam and Calculator) may vary slightly within ASNT's actual exam delivery software.

Calculator Demo (cont.)

- Clicking the **X** or Close button will close the calculator and the calculation will be lost
- **Clear** – Same function as the 'C' function on calculator
- **Enter** – Same function as the '=' function on a calculator
